## PROFESSIONAL EXPERIENCE

### SUN LIFE GLOBAL SOLUTIONS / SUN LIFE CANADA OF PHILIPPINES INC.

Sr. Analyst II – Quality | April 2025 – Present

- **Improved visibility into service-center performance** by presenting weekly quality reports to stakeholders, highlighting performance trends and improvement opportunities.
- **Strengthened quality governance** by developing and maintaining quality scorecards, leading calibration sessions, and monitoring resolution of identified quality findings.
- **Supported compliance and service-quality objectives** by reviewing calls, transactions, and case records using Salesforce and Verint.
- **Identified process improvement opportunities** within the service-center environment through collaboration with the Process Architect and Transformation Manager.
- **Translated quality findings into actionable improvement opportunities** through performance monitoring, reporting, and stakeholder collaboration.

### SUN LIFE GLOBAL SOLUTIONS / SUN LIFE CANADA OF PHILIPPINES INC.

Sr. Client Care Representative II / Client Technical Support | March 2020 – April 2025

- **Supported clients with complex financial-services inquiries and transactions**, including withdrawals involving VIP/Special Accounts, retirement income fund plans, and regular accounts.
- **Maintained consistent quality performance** while handling client requests and complex inquiries; recognized as a **Rewards and Recognition and Go-Extra-Mile Awardee (2023)** and **Client Experience Gala Awardee (2024)**.
- **Improved transaction accuracy and compliance** by reviewing transactions under mandatory review protocols and auditing new-hire transactions, including withdrawals and investment allocations.
- **Supported new-hire performance and development** by coaching and mentoring employees on Qualtrics Customer Survey and Service to Solution (S2S) engagements.
- **Improved call quality and identified coaching opportunities** through random call monitoring using Avaya Softphone and Verint call recordings.
- **Served as a point of contact during the Manager's absence**, providing ongoing mentoring, coaching, and feedback to colleagues and new hires.
- **Expanded operational capability** by cross-skilling to support the Technical Support line of business.
- **Worked across multiple financial-services systems**, including Salesforce, Ingenium, MF Taps, WMS, SQL, and FIS.

### QBE GSSC – PHILIPPINES

Afterhours Claims Lodgment Officer | June 2017 – February 2020

- **Processed and investigated insurance claims** to support accurate and timely claim handling.
- **Established claims and gathered required information** to facilitate processing and determine required documentation.

- **Communicated turnaround times and documentation requirements** to support accurate and efficient claims lodgment.
