SUMMARY

Quality-focused professional with 9+ years of experience across customer service, technical support, quality assurance, and financial services/BPO operations. Experienced in quality audits, calibration, quality scorecards, compliance monitoring, performance reporting, coaching, mentoring, and process improvement. Currently responsible for quality reporting, audit activities, calibration sessions, quality findings, and stakeholder collaboration within a financial services service-center environment. Strong working knowledge of Salesforce, Verint, Avaya, Ingenium, MF Taps, WMS, SQL, and FIS, with a track record of supporting client experience, operational accuracy, and employee development.

WORK EXPERIENCE

FINANCIAL SERVICES COMPANY (INSURANCE) **BGC Taguig, Philippines**

Sr. Analyst II – Quality *Apr 2025 - Present*

- Audited 40+ quality audit calls per month, identified recurring root causes across 6 operational workflows, and updated playbooks to standardize escalation criteria and reduce rework by 25% (measured over 2 consecutive quarters).
- Drove continuous-improvement cycles by mapping 15+ process gaps to corrective actions, tracked closure of 90% of findings within 30 days, and lowered repeat-defect rates by 18% through revised documentation and training-ready process steps.
- Updated and version-controlled playbooks for 3 teams covering intake-to-resolution procedures, incorporated 25+ audit outcomes into revised checklists, and improved first-pass compliance from 82% to 91% by enforcing standardized call scripts and quality review checkpoints.

FINANCIAL SERVICES COMPANY (INSURANCE)

Mar 2020 - Apr 2025

Sr. Client Care Representative II / Client Technical Support

- Coordinated inbound and outbound client communications to complete account transactions, handling 25–40 calls per day and resolving 80%+ of withdrawal and investment requests within the same interaction.
- Diagnosed and troubleshot client portal access issues—supported 60+ users weekly with password resets, login recovery, and feature navigation—reducing repeat support tickets by 30% through guided, step-by-step resolutions.
- Escalated complex cases to financial advisors while independently preparing account details and documenting outcomes, ensuring 95%+ case closure rates and supporting 10–20 escalations per week with accurate transaction notes and verification.

QBE GSSC – PHILIPPINES **BGC Taguig, Philippines**

Afterhours Claims Lodgment Officer *Jun 2017 - Feb 2020*

- Communicated turnaround timelines and document requirements via outbound contact for 50+ clients weekly, aligning expectations with 1–2 business day processing targets and improving claim lodgment accuracy by 25% through structured status updates and follow-up tracking.
- Managed client support workflows for vehicle damage events by arranging nearest towing assistance and validating repair eligibility, reducing incomplete submissions by 30% through standardized checklists covering 3+ required proof-of-loss documents.
- Coordinated afterhours property and vehicle claims lodgment for residential repairs and rental car needs, triaging 20+ cases per shift and issuing claim-ready documentation within 4–6 hours to support timely underwriting review.
